GOLDIFY EA USER GUIDE

Disclaimer and Risk Warnings

Trading any financial market involves risk. The content of this e-book, its various associated websites and all related correspondence are neither a solicitation nor an offer to purchase or sell any financial instrument.

Although every attempt has been made to assure accuracy, we do not give any express or implied warranty as to its accuracy. We do not accept any liability for error or omission. Examples are provided for illustrative and educational purposes only and should not be construed as investment advice or strategy.

No representation is being made that any account or trader will or is likely to achieve profits or losses similar to those discussed in this e-book. Past performance is not indicative of future results.

By purchasing the software, subscribing to our mailing list or using the website you will be deemed to have accepted these terms in full.

The Maka assistant Team, their representatives and associates do not and cannot give investment advice.

We endeavor to ensure that related websites are available 24 hours per day but we cannot be held liable if, for any reason, a site is unavailable.

The information provided in this e-book is not intended for distribution to, or for use by, any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject us to any registration requirement within such jurisdiction or country.

There are numerous factors related to the market in general and to the implementation of any specific trading program, which cannot be fully accounted for in the future of performance results, all of which can adversely affect actual trading results. We reserve the right to change these terms and conditions without notice.

You can check for updates to this disclaimer at any time without notification. The content of this e-book and all related websites and correspondence are copyright and may not be copied or reproduced.

INSTALLATION:

- 1-install the Indicators you received in indicator indicator file of your mt4**
- 2-install the Goldify EA in Expert file of your mt4**
- 3-Open XAU/USD chart and choose the 15 min time frame**
- 4-Double click on EA on navigator section**
- 5-change the fixed lot option based your account size (0.01 per each \$500)**

6-You can turn on the money management to auto lot selection and Forced exit

Note: we recommend to leave all inputs as default and just change the lot size

Note 2: The trades might go in loss, but don't panic if the EA opened new trades, it's because it tries to cover the losses.

Note 3: Choose the forced exit option based on your own desire drawdown, but it should be higher than 30%

Note 4: You can change the maximum open trade between 5 to 13
